## ***HAPPY EASTER LITTLE FLOWER PARISH FAMILY!***

**Jesus Christ is Risen! He is Risen indeed!** Today, this Easter proclamation is needed more than ever. In the midst of this pandemic of the Coronavirus that is affecting the whole world comes a message of **HOPE**. No matter where we are in this journey, ***Christ is here in our midst***. He is there in good times and in bad times, in sickness and in health, all the days of our lives. He is that Light that never extinguishes, like the lamp next to the Tabernacle. And in this time, He comes to brighten up your day. It takes time, but our faith reaffirms us, that there is something greater that will come out of all of this. Let us stay faithful to our good Lord and let Him shine His light through you.

Please know that Fr. Pierre and I miss you all and cannot wait to be able to gather again to celebrate the mystery of our Faith here in our Church. In the meantime, know that we continue to celebrate daily mass and that the masses are live streamed thru Facebook and recordings can be found on our web page & YouTube:

May our Blessed Mother continue to guide and intercede for us all during this difficult time.

In Christ!
